## INTRODUCTION

Dear Colleagues and Friends,

It is our great pleasure to invite you to participate, and more importantly to contribute to the **4<sup>th</sup> World Bronchiectasis & NTM Conference**.

Following a successful first editions in Hannover in July 2016, in Milan in July 2017 and in Washington DC in July 2018 with an average attendance of 400 researchers and clinicians, we are happy to announce that the 2020 will be the first virtual edition from 16 to 19 December, 2020.

The WBC is the place where the latest outcomes on the diagnosis and management of Bronchiectasis are shared and discussed. Furthermore, following the increase of NTM pulmonary and extra – pulmonary morbidity and mortality, it has been decided to fully integrate NTM related topics within the conference programme.

Considering the complex clinical picture of most of the patients affected by Bronchiectasis and NTM, large space will be given in this edition to **co-morbidities**. A central role would be also dedicated to the latest outcome on **microbiome** in pulmonary diseases as well as in the latest outcomes in **clinical trials**, and new available **diagnostic procedures** and **treatments**. The conference will be also the place where to discuss the **International Guidelines on NTM and Bronchiectasis**.

Several lectures would be reserved to **latest more interesting research works** from all over the World presented directly by participants, while **poster sessions** will help sharing effective clinical practices among attendees.

Joining forces, exchanging clinical experiences, sharing data and instruments, creating a network of active experts in the field are the main goals of the conference.

We look forward to having you all connected,

Yours sincerely,

Prof. Antoni TORRES

Prof. Francesco BLASI

## GENERAL INFORMATION

### VIRTUAL EVENT CREDENTIALS

Your credentials for the virtual event platform are the same you have created for registering to the Conference. In any case, about 10 days before the virtual conference starts you'll receive a remind of your credentials, how to access the platform and how to maximize your learning experience and virtual interaction.

### LIST OF PARTICIPANTS WITH CONTACT

Specialists on Bronchiectasis and NTM are not so many in the World, you are member of a small but active community. To allow interaction also after the event with other members of the community we invite you, during the registration process, to accept to be included in the list of participants sharing your contacts details. Only in this case you would see the contacts details of other participants who shared this opportunity.

### HELP DESK

An technical helpdesk will be available throughout the live experience. Contact details will be provided on your confirmation letter and congress website.

### "MEET THE PROFESSOR COURSES"

Please note that places are limited, registration to the courses are compulsory and are on a first-come first-served basis. The course will be live if we reach at least 20 registrations per course, otherwise it will be an on-demand access to pre-recorded lessons

### CERTIFICATE OF ATTENDANCE

The certificate of attendance will be downloadable from the website [www.world-bronchiectasis-conference.org](http://www.world-bronchiectasis-conference.org) using the personal log-in credentials sent by e-mail, starting from December 22<sup>th</sup>, 2020.

For Sponsored Groups: Please note that in order to send the certificate of attendance to each participant, we will need the personal e-mail address.

The Certificate of attendance will only be delivered to those having attended the Conference.

### CME ACCREDITATION

CME credits (ECMEC®s) by the European Accreditation Council for Continuing Medical Education (EACCME®) has been requested for the 4<sup>th</sup> World Bronchiectasis & NTM Conference

4<sup>th</sup> World Bronchiectasis & NTM Conference, 16/12/2020-19/12/2020 has been granted 16 European CME credits by the European Board for Accreditation in Pneumology (EBAP)

The Credits Certificate will only be delivered to those having attended the Conference.

### AIFA

For Italian Sponsors or Sponsored Groups of registered participants from Italy, the AIFA dossier should be submitted no later than October 15<sup>th</sup>, 2020. Please contact the secretariat to know which is the Italian Agency taking care of the AIFA pre-request. The Organising Secretariat will provide all the required documents within October 5<sup>th</sup>, 2020. The procedure must be completed by the Sponsor within October 13<sup>th</sup>, 2020 and officially communicated to the Organising Secretariat.
